

COMMERCIAL AND BUSINESS CONTRACTS

Why Choose this Training Course?

This Commercial and Business Contracts training Course will provide participants a comprehensive understanding of procedures and practice related to the risks inherent in the formation and management of contracts. Through analysis of real-life examples, this 5M Contract Management training programme demonstrates how to manage contract risk effectively and to ensure contract negotiations and performance occurs quickly and efficiently. Contracts are valuable and useful tools for companies to maximise value for businesses and minimize risk of loss or things going wrong. Businesses cannot continue to focus on pricing and key commercial terms alone.

Contracts are vitally important for any business. Understanding and managing contract risk is critical for companies and senior employees. The business and competitive advantages of managing contracts effectively produces significant benefits and a failure to fully understand risk related items in a contract can result in lost opportunities and costly disputes
